

ETHEREAL WISDOM

The Ethereals lead their union with a blend of spiritual mysticism and political machinations. So strong is the belief in the Ethereals that simply their presence on the battlefield emboldens all their brethren to fight with renewed vigor. With unity and purpose the Ethereals guide the T'au to a greater purpose, a brighter future, distinct from the doomed and dying races of the galaxy.

DETACHMENT RULE

LEAD FROM THE FRONT

With words of wisdom, Ethereals shape every element of the T'au.

At the start of your Command phase, you can select one of the Invocations listed below. Until the start of your next Command phase, that Invocation is active and its effects apply to all **ETHEREAL** units from your army. You can only select each Invocation once per battle.

INVOCATION OF WIND

Any friendly **T'AU EMPIRE** unit within 9" of an **ETHEREAL** unit adds 2 to their Movement characteristic, and ranged weapons equipped by that unit have the [ASSAULT] ability.

INVOCATION OF FIRE

Any friendly **T'AU EMPIRE** unit within 9" of an **ETHEREAL** unit improves the Armour Penetration characteristic of ranged weapons equipped by models in that unit by 1.

INVOCATION OF EARTH

When an attack is allocated to a model in a friendly **T'AU EMPIRE** unit within 9" of an **ETHEREAL** unit, worsen the Armour Penetration characteristic of that attack by 1.

INVOCATION OF WATER

Any friendly **T'AU EMPIRE KROOT** or **VESPID** unit within 9" of an **ETHEREAL** unit gains the For the Greater Good ability.

ENHANCEMENTS

SYMBOL OF UNITY - 10PTS

All races can contribute to the greater good, and cooperation is given to all who ask.

ETHEREAL model only - This model may lead a **KROOT** or **VESPID** unit from your army that does not have the **CHARACTER** keyword. If this model is attached to a unit with the Scouts X" ability, it gains the Scouts X" ability. The same is true for the Deep Strike, Infiltrators and Stealth abilities. While this model is leading a unit, when a model in that unit makes an attack, add 1 to the hit roll.

SYMBOL OF HARMONY - 15PTS

When such a monumental figure strides onto the battlefield, it inspires all around.

ETHEREAL model only - This model may lead a **CRISIS BATTLESUIT** unit from your army. This model gains the Deep Strike ability. While this model is leading a unit, improve the OC and Leadership characteristics of models in that unit by 1.

DISCIPLE OF HOPE - 25PTS

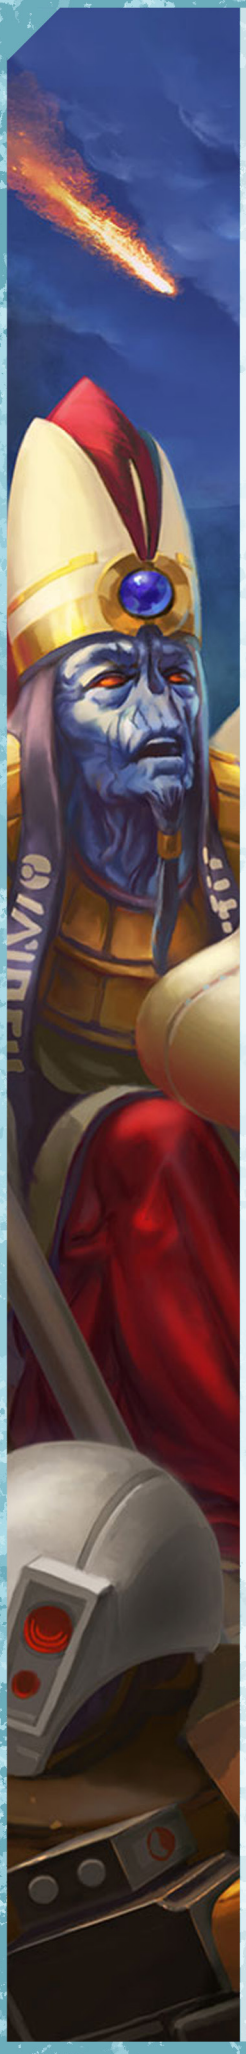

Even great commanders of the T'au are emboldened by the presence of the Ethereal caste on the battlefield.

T'AU EMPIRE COMMANDER model only - This model gains the **ETHEREAL** keyword, and while this model is leading a unit, models in that unit gain the Feel No Pain 5+ ability.

VOICE OF PECH - 10PTS

The shapers of the Kroot guide their kin for the greater good.

FLESH SHAPER only - This model gains the **ETHEREAL** keyword. Improve the Attacks characteristic of this model's Twin ritualistic blades by 2 and the Strength, Armour Penetration and Damage characteristic of this model's Twin ritualistic blades by 1.

WINDSWEPT ADVANCE

ETHEREALS WISDOM - BATTLE TACTIC STRATAGEM

With sudden speed, the T'au are thrust into battle.

1 CP

WHEN: Your Movement phase or Charge phase.

TARGET: One **T'AU EMPIRE** unit from your army.

EFFECT: Until the end of the phase, each time a model in your unit makes a move, it can move through terrain features. If this unit is within 9" of a friendly **ETHEREAL** unit and the Invocation of Wind is active, then until the end of the turn, each time a model in your unit makes a move, it can move through terrain features.

EARTHEN BOND

ETHEREALS WISDOM - STRATEGIC PLOY STRATAGEM

The way of earth empowers our kin.

1 CP

WHEN: The start of your Command phase.

TARGET: One **T'AU EMPIRE VEHICLE** unit from your army.

EFFECT: Select one model in that unit: That model immediately gains D3 wounds back. If this unit is within 9" of a friendly **ETHERAL** unit and the Invocation of Earth is active, then that model gains 4 wounds back instead.

VISION OF BALANCE

ETHEREALS WISDOM - EPIC DEED STRATAGEM

Unity in all things.

1 CP

WHEN: At the start of a phase.

TARGET: An **ETHEREAL** unit from your army.

EFFECT: Select the Invocation of Air, Invocation of Fire, Invocation of Earth or Invocation of Water. Until the end of the phase, this unit receives the effects of that Invocation as if it were within range of an **ETHEREAL** unit from your army, even if you have already selected that Invocation this battle.

FLOW LIKE WATER

ETHEREALS WISDOM - BATTLE TACTIC STRATAGEM

The shifting seas of the battlefield require a flexible battle plan.

1 CP

WHEN: Your Movement phase.

TARGET: One **T'AU EMPIRE** unit from your army.

EFFECT: Until the end of the turn, this unit is eligible to shoot in a turn in which it Fell Back. If this unit is within 9" of a friendly **ETHEREAL** unit and the Invocation of Water is active, this unit is eligible to charge in a turn in which it Fell Back.

FIRESIGHT SEEKERS

ETHEREALS WISDOM - BATTLE TACTIC STRATAGEM

Fire is the birth of civilization. Let us guide them towards a brighter future.

1 CP

WHEN: An Observer unit selected a Spotted unit in your Shooting phase.

TARGET: That Spotted unit and one Guided unit from your army.

EFFECT: Until the end of the phase, models from your Guided unit may target that Spotted unit with Smart missile system, Twin smart missile system, Seeker missile, Seeker missile rack and Missile pod ranged weapons ignoring rules for visibility. If that Guided unit is within 9" of a friendly **ETHEREAL** unit and the Invocation of Fire is active, attacks made by that Guided unit that target the Spotted unit may re-roll Hit rolls of 1.

HOLY DEFENCE

ETHEREALS WISDOM - EPIC DEED STRATAGEM

The T'au fight to the death to defend the Ethereals, even against insurmountable odds.

1 CP

WHEN: An **ETHEREAL** unit from your army is selected to fight in your opponent's Fight phase.

TARGET: That **ETHEREAL** unit.

EFFECT: Until the end of the phase, ranged weapons equipped by models in this unit gain the [PISTOL] ability. Each model in this unit may immediately shoot as if it were your Shooting phase, however, each model may only select a single ranged weapon to fire and must select an enemy unit within Engagement Range as the target of that attack. After shooting, that unit is considered to have fought this phase and may immediately make a consolidation move as if it had finished making melee attacks.
