

OBLITERATION CULT

Those affiliated by the Technovirus are a craven amalgamation of flesh, machine and daemon. No sense of morality remains, only a thirst for archeotech. Mercenaries for hire, a warband of Obliterators will join any heretic force willing to pay for their overwhelming firepower in an equal weight of forbidden relics. As hails of infernal shells screech across the battlefield, these warriors decimate any foes they encounter.

DETACHMENT RULE

OBLITERATE

Destruction above all, no wall shall stand against these heretics and traitors.

You gain 1 Obliteration dice:

- At the start of each battle round.
- When there are one or more unallocated unsaved wounds that cannot be allocated because all models in a unit selected as the target of attacks made by a **HERETIC ASTARTES** unit have been destroyed.

Each time a **HERETIC ASTARTES** unit from your army is selected to shoot or fight, you may spend 1 Obliteration dice. If you do, until the end of the phase, improve the Strength characteristic of ranged Weapons and melee weapons equipped by models in that unit by D3. If that unit is an **OBLITERATOR** unit, you may also re-roll the number of dice when determining the number of attacks for ranged weapons equipped by models in that unit.

ENHANCEMENTS

THUNDEROUS ASSAULT - 15PTS

The earth cracks, as warriors of the Heretic Astartes charge across the battlefields sowing destruction in their wake.

HERETIC ASTARTES model only - When this unit makes a Charge move, select one enemy unit within Engagement Range of this unit. Roll a D6; on a 2-3, that enemy unit suffers D3 mortal wounds; on a 4-5, that enemy unit suffers 3 mortal wounds; on a 6, that enemy unit suffers D3+3 mortal wounds.

HATEFUL ALLIANCE - 20PTS

There are many ways to siege a fort, and it's always easier with a little diabolical intervention.

HERETIC ASTARTES PSYKER TERMINATOR model only - This model may lead a unit of **OBLITERATORS.** While this model is leading a unit, once per turn, when an attack is allocated to a model in this model's unit, you can change the Damage characteristic of that attack to 0.

LOCUS OF DESTRUCTION - 20PTS

The warp is a dark master, few ever channel and even fewer master.

HERETIC ASTARTES PSYKER model only - Improve the Attacks characteristic of ranged weapons with the [PSYCHIC] ability equipped by this model by 2.

FIENDISH MIND - 15PTS

A true strategist knows the value of their pawns, and when to feed them into bolter fire.

HERETIC ASTARTES model only - At the start of the Declare Battle Formations step, you can select up to three **HERETIC ASTARTES INFANTRY** units from your army that are not attached units - those units gain the Scouts 6" ability.

UNFAZED BY ONSLAUGHT

OBLITERATION CULT - BATTLE TACTIC STRATAGEM

The march of steel and despair is ceaseless, even in the face of overwhelming fire as behemoths of machine and man march across the battlefield.

1 CP

WHEN: Your opponent's Shooting phase or the Fight phase, just after an enemy unit has selected its targets.

TARGET: One **HERETIC ASTARTES** unit from your army (excluding **DAMNED** units) that was selected as the target of one or more of the attacking unit's attacks.

EFFECT: Until the attacking unit has finished making its attacks, each time an attack targets your unit, worsen the Armour Penetration characteristic of that attack by 1.

DECIMATION EVENT

OBLITERATION CULT - EPIC DEED STRATAGEM

Barrage upon barrage upon barrage, like a hailstorm of ammunition, these heretics know not the meaning of restraint.

1 CP

WHEN: A **HERETIC ASTARTES** unit from your army spends an Obliteration dice.

TARGET: That **HERETIC ASTARTES** unit.

EFFECT: Do not roll a D3 to determine how much to improve the Strength characteristic of ranged weapons and melee weapons equipped by models in this unit. Instead, until the end of the phase, improve the Strength characteristic of those weapons by 3.

RELENTLESS ANNIHILATION

OBLITERATION CULT - BATTLE TACTIC STRATAGEM

Even when surrounded by enemies in close quarters, blood spills like water overflowing a chalice as shells rain into their foes.

1 CP

WHEN: Your Shooting phase.

TARGET: One **HERETIC ASTARTES** unit from your army within Engagement Range of one or more enemy units.

EFFECT: Until the end of the phase, ranged weapons equipped by models in that unit have the [PISTOL] ability.

MASS PROJECTION

OBLITERATION CULT - WARGEAR STRATAGEM

Using expertise long lost since the Heresy, traitor Warpsmiths craft shells with terrifying efficiency, using temporary warp translation to create shells that far out-range the weapons the servants of the corpse god utilise.

1 CP

WHEN: A **HERETIC ASTARTES** unit from your army is selected to shoot in your Shooting phase.

TARGET: That **HERETIC ASTARTES** unit.

EFFECT: Until the end of the phase, improve the Range characteristic of ranged weapons equipped by models in that unit by 6".

BECKONING OF SOULS

OBLITERATION CULT - STRATEGIC PLOY STRATAGEM

Each soul of their foes, a candle to be snuffed out in the night.

1 CP

WHEN: The start of your Shooting phase.

TARGET: One enemy unit from your opponent's army visible to a **HERETIC ASTARTES PSYKER** unit from your army.

EFFECT: Until the end of the phase, that enemy unit cannot have the Benefit of Cover.

WARPBORN TRANSLATION

OBLITERTATION CULT - WARGEAR STRATAGEM

The warp screams as these hulks of machine and muscle using profane technology to tear passageway through the materium.

1 CP

WHEN: End of your opponent's Fight phase.

TARGET: One **HERETIC ASTARTES INFANTRY** unit from your army that is not within Engagement Range of one or more enemy units.

EFFECT: Remove that unit from the battlefield and place it into Strategic Reserves. Until the end of your next Movement phase, models in that unit that do not have the Deep Strike ability have the Deep Strike ability.
