

RADICAL RETINUE

There are those in the vast Imperium whose ends justify the means. The radical inquisition recognises that survival demands more than faith alone. Where sanctioned doctrine proves insufficient, forbidden knowledge and ritual is employed without hesitation. Bound entities, corrupted artifacts and the Deamon - the tools of the great enemy are wielded. Such measures are not acts of rebellion but calculated necessity in an uncaring galaxy. Victory is secured through understanding the enemy, not merely denouncing it. The Imperium endures because some are willing to carry its darkest burdens.

DETACHMENT RULE

Much can be sacrificed in the defence of the Imperium.

You may not include **ASTARTES**, **GREY KNIGHT TERMINATOR SQUAD**, **IMMOLATOR**, **VOIDFARER** or **SISTERS OF BATTLE SQUAD** units in your army. You may not include **EPIC HERO** units in your army unless they have **OFFICIO ASSASSINORUM** or **EISENHORN** keyword.

The number of Damnation points required for each effect depends on the size of the battle (shown Incursion/Strike Force/ Onslaught).

Damnation points	BONUS
2+/3+/4+	Each time a model in this unit makes an attack with a melee weapon, re-roll a Hit roll of 1.

REPENTING RESOLVE

RADICAL RETINUE - EPIC DEED STRATAGEM

1 CP

Damned as they are, their faith in the divine will of the Emperor is their shield against any foe.

WHEN: A **PENITENT, DAMNED** or **ORDO HERETICUS** unit from your army is selected as the target of an attack.

TARGET: That **PENITENT, DAMNED** or **ORDO HERETICUS** unit.

EFFECT: Until the end of the phase, models in that unit have a 5+ invunerable save. If this unit contains any **DAEMON** models, until the end of the phase, models in this unit also have the Feel No Pain 5+ ability.

NO PRICE TOO GREAT

RADICAL RETINUE - STRATEGIC PLOY STRATAGEM

No strategy is off-limits to an Inquisitor truly devoted to the defence of the Imperium of man.

WHEN: When a **PENITENT, DAMNED** or **ORDO HERETICUS** unit from your army is selected to fight.

TARGET: That **PENITENT, DAMNED** or **ORDO HERETICUS** unit.

EFFECT: Until the end of the phase, each time a model in that unit makes an attack with a melee weapon, add 1 to the Hit roll. If this unit contains any **DAEMON** models, add 1 to the Wound roll as well.

SANITY IS FOR THE WEAK

RADICAL RETINUE - BATTLE TACTIC STRATAGEM

1 CP

Rushing forward with no thought, these hordes of the repentant are ceaseless.

WHEN: Your opponent's Shooting phase, just after an enemy unit has selected its targets.

TARGET: One **PENITENT, DAMNED** or **ORDO HERETICUS** unit from your army that was selected as the target of one or more of the attacking unit's attacks.

EFFECT: After that enemy unit has shot, if one or more models in your unit was destroyed as a result of those attacks, your unit can make an Insanity move. To do so, roll one D6; your unit can be moved a number of inches up to the result, but your unit must end that move as close as possible to the closest enemy unit (excluding **AIRCRAFT**). When doing so, these models can be moved within Engagement Range of that enemy unit. If this unit contains any **DAEMON** models, do not roll a D6 to determine how far models in your unit can move when they make an Insanity move. Instead, when making their Insanity move, these models can move up to 6".

LAMBS TO THE SLAUGHTER
