

VAMPIRIC HUNGER

The sons of Sanguinious fight forever upon a knife edge between angel and beast. Each blow struck is measured against the hunger that coils within their souls, a curse born to their Primarchs noble sacrifice. Some warriors master their thirst, transmuting restraint into killing precision while others allow it to surge, turning disciplined fury into a storm of crimson rage. The Librarian and Priests of the chapter stand vigilant, guiding their brothers through ritual, memory and rage lest the Chapter be consumed by its own memory.

DETACHMENT RULE

HOLD OFF THE HUNGER

To master then Red Thirst is to turn restraint into a weapon.

Each time a **ADEPTUS ASTARTES** unit from your army is selected to Fight, you must roll a Leadership test. If that unit contains any **LIBRARIAN** or **SANGUINARY PRIEST** models, you may choose to pass or fail that test. If that test is failed, until the end of the phase, melee weapons equipped by models in that unit have the [SUSTAINED HITS 1] ability. If that test is passed,until the end of the phase, melee weapons equipped by models in that unit have the [LETHAL HITS] ability.

If a unit is **FED**, do not roll a Leadership test, instead melee weapons equipped by models in that unit have the [SUSTAINED HITS 1] and [LETHAL HITS] ability and improve the Attacks characteristic of those weapons by 1.

DESIGNERS COMMENTARY: "Is/Has" is replaced with "has the keyword" and "become" is replaced with "have the keyword" in a strictly technical sense.

RESTRICTIONS

Your army can include **BLOOD ANGELS** units, but it cannot include any **ADEPTUS ASTARTES** units drawn from any other Chapter. Your army may not include any units with the following keywords: **DEATH COMPANY**.
