

# VOICES FROM THE VEIL

The imminent approach of the star children into a system has the cult alive with new-found purpose. Thunderous whispers breach the veil, as psykers awaken with new found power, their tether to the immaterium strengthened with divine purpose. Crawling in the shadows of their minds, they feel another slithering in the subconscious, a powerful voice with a voracious hunger. The day of ascension is near.

## DETACHMENT RULE

### PSYCHIC BEACONS

At the start of your Command phase, you can select one of the Synaptic Overrides listed below. Until the start of your next Command phase, that Synaptic Override is active and its effects apply to all **GENESTEALER CULTS INFANTRY** units within Synaptic Range from your army.
